JOIN US IN PRAYING A MOMENT EVERY WAKING HOUR FOR OUR 26TH ANNIVERSARY REVIVAL. THE NEEDS ARE SO GREAT...OUR GOD IS SO GREATER

LADIES ARE INVITED on Saturday, 10 September at 9am for a time of Brunch (Bring along your favorite breakfast treat or a munchable) and sharing God's Word together. This will be at the home of Heather Young in St. Charles.

30 minutes BEFORE OUR SERVICES THIS SUNDAY, and BEFORE EVERY REVIVAL SERVICE we will be gathering to seek the face of GOD in behalf of our services. THIS WILL REQUIRE EXTRA EFFORT but we are convicted that if we EXPECT GREAT THINGS FROM GOD WE MUST ATTEMPT GREAT THINGS FOR GOD! These prayer meetings may be around the altars or in the YOUNG LADIES' CLASSROOM.

WE'RE PRAYING FOR A RADICAL, REVOLUTIONARY, HOLY-GHOST DRIVEN REVIVAL! THERE ARE ONLY 7 SERVICES...WE MUST SEEK THE LORD TIL HE COMES!

21 YEARS AFTER AMERICA WAS STUNNED BY THE ATTACK OF ISLAMIC JIHADISTS ON 9-11 some remarkable realities have emerged.

Students of God's Word and thoughtful observers of faith and culture are beginning to see that 9-11, the attack and even the date itself, was no coincidence. God has used His enemies to punish those who rebel against Him before. Thoughtful Christians are seeing and seeking God as never before.

Did you know that it was 9/11 in 1609 that Henry Hudson discovered Manhattan? Did you know that it was 9/11 in 1941 that the Pentagon was created in Washington D.C.? Is it coincidence that on 9/11 both the economic center of our nation—Manhattan, and the nerve center of America's military—the Pentagon were both attacked?

Is it coincidence that since 9/11/2001, as America's rebellion against God has doubled down, that America's economic, military, educational and moral strength has suffered precipitously?

God has given us a message for this hour. This is no time for playing church or sarcastic cynicism. This is the time for the Truth-Driven, Soul-Winning, Spirit-Filled elect to fall on their knees and seek the face of the Almighty! **OUR HEARTS OUR FULL. SEE YOU SUNDAY! PR**
